The Prez Sez...

By Mike Gradinjan

Say Hey, SHARKSters!

This has been a crazy year for forecasting, for sure. Hopefully some of you got an opportunity to take advantage of the warmer weather the last couple weeks and got some flights in. I spent most of my time trying to get the roof on my new workshop, so my only flying was the maiden flight of my first cheapo camera drone above my house. Like I said, it's a cheapo and it didn't save anything to the brand new 32GB SD card, which would have made the terror of trying to stay out of all the trees around my house worthwhile. Something else that will have to wait until I'm housebound by winter to be resolved. ☹️

Now that we're going below freezing, I'll actually get the shed shut down for winter before the soda freezes. ☺️

This Friday the AHC Movie will be [Tora! Tora! Tora!](#), the 1970 film about the Japanese attack on Pearl Harbor. Helpers and indoor flyers should be there at 6PM, with the movie starting at 7. Please contact Dave Meyer if you can help out. It's important that we help at the movie to show our appreciation for using the AHC for our club meetings and annual swap meet for free!

Your 2018 dues are coming up. Remember if you didn't get your 15 hours of labor in to include \$5/hr for any shortage. We've decided to keep the dues structure the same again. Please legibly complete the included application so we can accurately update our club records.

We will have our Christmas luncheon this coming Saturday, December 9 at the Roadside Bar & Grill. We hope to see you all in the bar at 11:00AM,

with lunch at 12 noon. Spouses or significant others are welcome at this BYO event!

Oostburg Indoor Flying started last week, and continues through March. The schedule is included in this newsletter and is always available on our website with any recent updates or necessary cancelations. Attendance was down last year, so let's see if we can get that up again to show our interest in continuing this partnership with OHS.

That's about it for now—

Mike
