## The Prez Sez...

*By Mike Gradinjan*

Say Hey, SHARKSters!

With any luck that was the last Polar Vortex blast of the season! Yikes! I was at Fleet Farm the day it got back into the teens and there were people in shorts and with their jackets open! What can you say about winter in the Midwest?

I haven't tried to get into the field since the second snow of the season. I'd be cautious about trying it yet, as the drifts get pretty deep on the east-west area before and after the gate. Don't get stuck, as the slush will be extra slippery and the adjacent topsoil in the fields won't be forgiving if you leave the gravel.

This month's AHC movie on February 8 is [High Road to China](#), a film set during WWI starring Tom Selleck and Bess Armstrong. Helpers and indoor flyers should be there at 6PM, with the movie starting at 7. I'm tied up with the Sheboygan County Night to Shine event, so Dave will need others to help man the concession stand. Please let Dave & me know if you can lend a hand.

I'm including the flyer for the SHARKS/Kettle Area Flyers Swap Meet on April 13 at the AHC, which is also available on the website. We'll discuss the logistics at our club meeting this Saturday, February 9, at 9AM in the AHC Library. Hope to see you there!

Oostburg Indoor Flying continues, but attendance is down. Please make an effort to make use of this opportunity to keep your thumbs active. You can see updated dates & times on the website. If you go, please remember to be generous when you sign in.

That's about it for now—

*Mike*
