The Prez Sez...

By Mike Gradinjan

Say, Hey, SHARKSters!!!

In spite of the possible big snow scheduled for Thursday, warmer weather is returning to Wisconsin. I noticed somebody, probably with a pickup truck, ventured into the field right around the time I sent out the last SHARKS Tales, with some more tracks in the last few days. Please remember to stay on the gravel. Things really get soft as the frost leaves the ground.

The 2018 Charter papers have been completed and returned to the AMA. We should be official without any disruptions again in 2018!

Indoor flying continues at both Oostburg and Lakeshore. **A reminder that the March 3 Oostburg date is the only afternoon flying scheduled this year, going from 1-5 PM.** The schedule is included. Contact Al at 920-946-8260 with any Lakeshore questions, and please remember to be generous at the door. All proceeds get turned over to the school.

Next week Friday, March 9, the AHC Movie will be [The Rocketeer](#), which recreates 1930's Hollywood, complete with gangsters, Nazi spies, and the growth of the Age of Aviation. Helpers and indoor flyers should be there at 6PM, with the movie starting at 7. Please let Dave Meyer and me know if you can help out. It's important that we man the concession stand at the movie to show our appreciation for using the AHC for our club meetings and annual swap meet for free when we have one!

Bob Nyhuis has scheduled and is looking for help with a presentation at the Gathering Place on March 13. We've got small Styrofoam "gliders" and looping Dip-Er-Do-ll's to give to the preschool class that will be in attendance. Contact Bob if you're interested in helping out.

Remember we don't have a SHARKS club meeting in March. Our next meeting will be April 14 at the AHC.

Your 2018 club dues should also be taken care of. Remember if you didn't get your 15 hours of labor in to include \$5/hr for any shortage. We've decided to keep the dues structure the same again. Please legibly complete the included application so we can accurately update our club records. Adam has looked into the price for a new lock and keys for the gate at the field. We'll probably have that taken care of to distribute keys at the April meeting. Both locks will be put in series with each other until all current paid up members get the new key. Another good reason to take care of your dues.

Plymouth High School is asking for us to put on a presentation sometime before the end of the semester. We'll talk more about it at the April meeting and hopefully get something arranged.

Remember the [Valley Aeromodelers Swap Meet](#) on March 4, and the [Madison Area Radio Control Society Swap Meet and Fly-In](#) on March 18. The flyers were included in last month's SHARKS Tales for our snail mail members. ☺

This is going out a week early because of the Oostburg reminder about March 3, so I'll send out an e-mail blast if something else comes up.

That's about it for now—

Mike
