The Prez Sez...*By Mike Gradinjan*

Say Hey, SHARKSters!

Never mind about my last entry hoping we'd be done with the frigid temps! It's been a heck of a month and March is expected to be colder than normal too. ☹ I never got in the air in February, so I have to start my All-Season Status all over AGAIN.
Dog Gone It !!!

There's still a H-U-G-E pile of snow and ice at the entrance to the field. Nobody's tried to venture over it by the looks of things. I'd still be cautious about trying it yet, as the drifts get pretty deep on the east-west area before and after the gate. Don't get stuck, as the slush will be extra slippery and the adjacent topsoil in the fields won't be forgiving if you leave the gravel.

This month's AHC movie on March 8 is [Heroes On Deck, World War II on Lake Michigan](#), a documentary about Naval aviation on Lake Michigan. Helpers and indoor flyers should be there at 6PM, with the movie starting at 7. Dave and Warren are slated to man the concession stand, but feel free to drop in and lend a hand. Contact Dave for details.

I'm including the flyer for the SHARKS/Kettle Area Flyers Swap Meet on April 13 at the AHC, which is also available on the website. We discussed the logistics at our club meeting on February 9, so we hope to see you there on April 12 after the 1949 Gary Cooper movie [Task Force](#) about the development of aircraft carriers, to help set up.

Oostburg Indoor Flying continues, but attendance is down. Please make an effort to use this opportunity to keep your thumbs active. You can see updated dates & times on the website. If you go, please remember to be generous when you sign in.

That's about it for now— *Mike*
