## **The Prez Sez...** *By Mike Gradinjan*

Say Hey, SHARKSters!

I'm pretty sure we've finally turned the corner on winter, and we're starting to see temperatures almost normal for May. The snow is gone from the field, and there's even been some mowing and rolling accomplished! We'll schedule a field work day at the May meeting next Saturday, and get everything tuned up for summer.

Our charter papers have been completed and registered, so we're an official AMA Chartered club again for 2019.

Oostburg Indoor Flying has wrapped up for the season. Thanks to everyone who participated and contributed to the Oostburg School District fund at the door. The school district was most appreciative of the contribution, and we plan on continuing our relationship again next fall.

Our reinstated SHARKS/KAF Swap meet was a success. We paid the bills and put a few dollars in the club's general fund. Just a few, but at least we didn't lose anything! We'll discuss scheduling for another possible event next year when we've had some time to digest the results of this one.

We have a booth reserved at this year's Rockets For Schools event at Blue Harbor on Friday & Saturday, May 10 & 11. Jon will be there with his combat helis, and Warren has committed to help out. Let me know if you can help man the booth for a few hours either day.

This month's AHC movie on Friday, May 10 is [Above and Beyond](#), the story of pilots who volunteered to fight in Israel's War for Independence. Helpers and indoor flyers should be there at 6PM, with the movie starting at 7. Contact Dave and me if you can help out.

May crept on me this year and I completely forgot about getting ready for our club officer elections. We haven't had contested positions in years, so if it's OK with everybody, we'll take care of everything at May's meeting Saturday. We have one Board Member due, with Todd Ulman's term ending. Dave Meyer will be due in 2020, and John Mazzanti's term is up in 2021. My term as President, Warren's as Vice President, and Joe's term as Treasurer are all up, as they are every year. All positions are open for election to full members in accordance with our By-Laws, but you must be present to accept a nomination. The meeting will take place at 9:00AM, Saturday, May

11 at the Aviation Heritage Center in the library. Please make every effort to attend and make your voice heard as we move into the future.

The Kettle Area Flyers Fun Fly and Tailgate Swap will be held June 8. The flyer is included in this newsletter.

That's about it for now— *Mike*
