The Prez Sez...

By Mike Gradinjan

Say Hey, SHARKSters!

The flying season is rapidly coming to a close, especially in the evening with the sun setting before 5PM! I'll be winterizing the shed and emptying the water barrels pretty quick so things don't freeze up on us.

We ran into a bit of a snag with indoor flying at Oostburg. The school needs the big gym on quite a few days we were going to use, so we're looking at using a different venue at the school. We don't have a solid schedule yet, so you'll have to watch your e-mail and the website for updates.

This Friday, November 9, we'll be hosting the movie [The Blue Max](#) starring George Peppard, James Mason and Ursula Andress at the AHC. Helpers and indoor flyers should be there at 6PM, with the movie starting at 7. Please let Dave Meyer & me know if you can help out. It's important that we man the concession stand at the movie to show our appreciation for using the AHC for our club meetings and annual swap meet for free when we have one!

We decided to forego the November club meeting, so our next get together will be our Christmas BYO luncheon & club meeting on Saturday, December 8 at the Roadside Bar & Grill in Plymouth, Hwy 57 south of Hwy C. We'll meet in the bar around 11 and be seated at noon. All of our Introductory Pilots, wives and significant others are invited to attend.

We decided to keep the dues structure the same for next year. The updated 2019 application is included in this newsletter. Please fill it out completely so we can update our records on everybody. The Christmas luncheon would be a great time to pay your dues so we know how we're set up financially for next year.

We also decided at our last meeting to revive our SHARKS/Kettle Area Flyers Swap Meet in 2019. We have the AHC reserved for Saturday, April 13. There's movie night that Friday, so we'll need to set up after the movie. With the big Ohio RC show the week before and Easter the week after, it's what we were left with. Join us for the movie and we'll get the tables up as soon as we can afterward. Figure on getting done around 10 PM, if we get enough people to show up & help.

Let me know if there's anything else we need to discuss at the Christmas meeting, and I'll put it on the agenda.

That's about it for now—

Mike
