The Prez Sez...

By Mike Gradinjan

Say Hey, SHARKSters!

I hope you had a great Thanksgiving and have bundled up for the upcoming cold snap! It's flurrying outside, and I'm glad I got all the water tanks drained before the water froze. I lost a valve a few years ago when we got an overnight blast and the ice broke it. No worries about that this time. "We" still have to get the wind turbines bagged up to keep them from spinning off like UAP's, formerly known as UFO's, in the winter gales that blast across our open fields. I'm personally hoping for a warmer and less windy day to accomplish that!

Oostburg indoor flying starts this week! It's on Wednesday nights from 6-9PM starting December 4 and will run until April 30. We're continuing the \$10 fee for flyers, which all goes to the school district. Spectators are always free. Enter through the gym doors towards the north end of the building on the west side. Brian from the Kettle Area Flyers is hoping to add some weekend hours, too. Please remember we made a commitment to increase our attendance this season.

December's AHC Movie Night will be next week when we'll show [Toward the Unknown](#) at 7PM, Friday, December 13. Indoor flyers and helpers should be there at 6PM. Let Dave Meyer or Graham know if you can lend a hand. Hours count towards your club dues work obligation.

There are still a few balsa models, motors, servos, etc left on the shelves in the shed at the field. Brave the cold and see if anything strikes your fancy for a winter project! Put your contribution with a note in the soda money box in the freezer so we have a record. The newer transmitters and electrical power equipment are the club's, so don't take those. I would be forced to hunt you down!

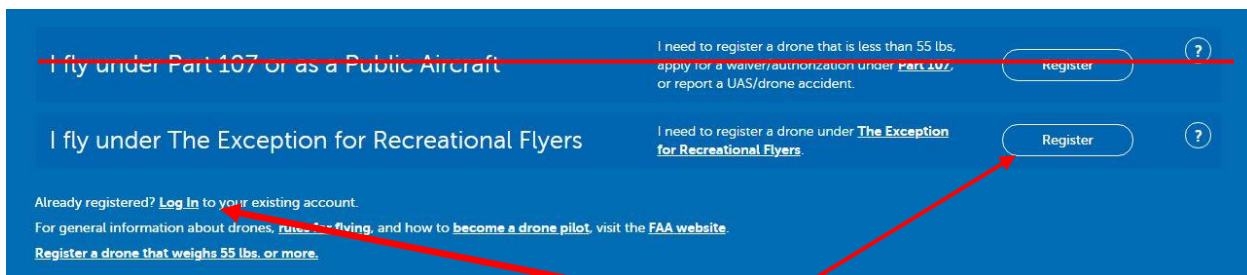

Make sure your AMA or ROAR memberships are up to date so you can complete your [2025 SHARKS Membership Application](#), which is included in this newsletter. Unless you're an opt-out member, remember you needed 15 hrs of club benefiting activities in 2024 to complete your obligation.

This includes additional adult members where the first member is an opt-out. Please include \$5/unfulfilled hour with your 2025 application.

Remember that besides your AMA membership, flyers also need an FAA registry number that you can use on all your aircraft and your TRUST certificate. I noticed that mine are coming due.

If you're planning to be a new SHARKS Park member, you have the choice of joining as an AMA Park Pilot or a ROAR member. You only need one or the other to cover your required insurance, but the AMA Park Pilot license would allow you to fly small electric models as well as race. If you plan on visiting other ROAR facilities, then the ROAR membership would be the way to go. Right now we're one of two affiliated clubs in Wisconsin, but the choice is yours. You'll find links to the [AMA](#) & [ROAR](#) on our links page <http://www.sharksrc.com/related.htm>, or just click on the names here. Be sure to include your AMA license or ROAR membership # on our [SHARKS application](#). A SHARKS membership will be required for use of our facilities from now on.

The FAA registration is only \$5 for 3 years, so it's better to do it than have someone stop in and shut you down for being non-compliant. Here's the link to sign up or renew: <https://faadronezone.faa.gov>

If this is a renewal, there's a Log In link under the link for the Exception for Recreational Flyers, where you'll enter using your login and password from when you first applied for Certification. If this is your first time, click the Register button link for the Exception for Recreational Flyers and follow the instructions. If you try to enter any other way, you'll have a good chance of ending up at the wrong place which could be a scam site.

The TRUST test can be accessed at <https://www.modelaircraft.org/trust>

There's an FAQ located at

https://amablog.modelaircraft.org/amagov/2021/02/24/the-recreational-uas-safety-test-trust-faq/?_ga=2.168312552.879088485.1626377374-1632433514.1626377325

Make sure you print out your certificate when you successfully complete the test. It's not saved anywhere, and you'll have to complete the test again to get a new certificate!

There's an [entry](#) on our [Swap & Shop page](#) on our website. Jim Loseke knows somebody who's selling a few aircraft for a friend. Please check it out.

Speaking of Jim, I'm including his new guidelines for reimbursement of SHARKS Related Expenses. Our new checks have arrived and are now in use, and we've started sorting through a few boxes of old SHARKS documents to see how the club developed. Many of the original founding members have passed away or moved on, usually to warmer climes. I even read in Friday's obituaries where one of our early and recent members passed away at 83 last Tuesday. There was only a few minutes left in his celebration of life when I read his announcement, so was unable to express my condolences in person. Bob Nyhuis was quite a character. We wondered why we'd been unable to get in touch with him for about a year. We extend our heartfelt sorrow to his family and Sharon, his current wife for the last 5 years, after his wife Gloria passed away after 53 years in 2017.

Our next SHARKS meeting will be at our Annual Buy Your Own Christmas lunch on Saturday, December 14 at the Roadside Bar & Grill, N5575 State Road 57, Plymouth. We'll meet in the bar starting at 11 and be seated for lunch at noon. Spouses or Significant Others are welcome. Please RSVP to sharksinfo1490@gmail.com so we can let them know how many to expect. If it gets too big, we might have a limited menu to make it easier on the cook.

I would normally mention the lunch is a great time to pay your dues for 2025, but we want to close out the books for 2024 and start fresh in 2025. If you want to pay at the meeting, please use a January 1, 2025 post-dated check. Cash will not be deposited in our account until January 2, 2025, so checks would be safer for everybody concerned.

As always, contact me or any officer or board member with any questions or concerns you have, but in the meantime, Happy Flying RC'ing!

That's about it for now-

Mike

There's a New Treasurer in town!

If you need reimbursement for any club expense, please provide an itemized receipt that describes the actual expense and payment. Sorry, but **no receipt, no payment**. You can pin the receipts on the bulletin board in the club house as you have before. I will leave checks there as well unless you would like me to mail them to you. Please call or text me when you incur the expense so that I can reimburse promptly. You can even send a picture of the receipt in a text so that I can bring a check out the next time I am at the field. If you call, please leave a voice mail if I don't pick it up. Generally all calls without a voice mail go straight into my SPAM file.

You can reach me at:

Email: 1490sharks@gmail.com

Address: 718 Willow Dr, Sheboygan, WI. 53081.

I would also like to take this time to recognize Joe Kuranz for his 26 years as the past club treasurer. As we all know, he has been dedicated to fulfilling the position behind the scenes for more than 2 decades and has done so in a manner that helped keep the club moving forward. This is one of those positions that rarely gets any praise and everyone just expects it to happen in a non dramatic fashion. Joe did an outstanding job doing just that.

THANKS JOE !!!!!!!

2025 S.H.A.R.K.S. Membership Renewal Notice
